

2nd &  
3rd

**Practice your  
SPANISH**

- ✓ Watch Spanish cartoons or rent movies that have Spanish audio.
- ✓ Label things around your house in both languages.
- ✓ Go to the library and pull out Spanish books.
- ✓ Interview people that speak Spanish. Don't be afraid of asking!
- ✓ Visit our website: <http://summerspanishsafari.wikispaces.com/home>
- ✓ Practice on iStation Espanol.

# June 2013

Don't forget to visit our Caldwell Library every Tuesday and Thursday of June from 9:00 am to 12:00 pm.

| Sun   | Mon   | Tue  | Wed  | Thu  | Fri   | Sat  |
|---|---|--|--|--|---|--|
|   |   |  |  |  |   | 1  |
| 2   | 3   | 4  | 5  | 6<br>Summer! Last day of school.   | 7<br>How do animals move? List the ways animals get around. Cut out magazine pictures to illustrate them. | 8<br>Make a list of things you want to do this summer. (Be sure to have at least ten things to do.)                                    |
| 9<br>Write a summer activity for each letter in the word SUMMER.  | 10<br>Jump rope for exercise today—try: Teddy bear, Teddy bear, Turn around . . .   | 11<br>Get a jar. Fill it with M&Ms. Estimate how many there are. Now count them all!                       | 12<br>Go on a walk with an adult or friend. Look for signs of summer. Write them down in a nature log. | 13<br>Toast a piece of bread. Cut into 4 triangles. Spread it with jelly. $\frac{1}{4} + \frac{1}{4} + \frac{1}{4} + \frac{1}{4} = 1$ whole. | 14<br>Make a card for someone for Father's Day. (Father's Day is on Sunday!)                              | 15<br>Draw a triangle, square, and circle. Count the sides and corners of each. Search for 2D and 3D shapes in your house. Make a list |
| 16<br>You should wash your hands many times during the day. Write the steps in order for washing your hands properly. | 17<br>Practice Math facts. Sort them by doubles, doubles +1 and facts that make 10. | 18<br>Design a book cover about the environment. Include ideas for keeping our air and water clean.        | 19<br>Be sure to do a warm weather exercise or activity for 30 minutes.                                | 20<br>Start your own garden. Find a pot of soil or ask an adult for an area to plant a few seeds.  | 21<br>Find five things in nature that have symmetry.  | 22<br>How many songs can you sing with your friends that are about nature, animals or weather?   |
| 23<br>Look in your refrigerator. Find items in cups, pints, quarts, and gallons.                                      | 24<br>Find a household item that is one inch, one foot, and one yard long.          | 25<br>Learn about the Olympics—the ancient games and today's Olympics. Compare and contrast what you find. | 26<br>Remember to use 'please' and 'thank you' all day today.  | 27<br>Sit in the shade of your favorite tree. Read The Giving Tree by Shel Silverstein.  | 28<br>Listen for verbs (action words). How many? Write them down in new sentences.                        | 29<br>Write a math problem using the following subtraction $27-13=$  |
